REPORT ON REVIEW OF CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

TO THE BOARD OF DIRECTORS OF ALLAN INTERNATIONAL HOLDINGS LIMITED
(incorporated in Bermuda with limited liability)

INTRODUCTION

We have reviewed the condensed consolidated financial statements of Allan International Holdings Limited (the “Company”) and its subsidiaries (collectively referred to as the “Group”) set out on pages 4 to 20, which comprise the condensed consolidated statement of financial position as of 30 September 2016 and the related condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the six-month period then ended, and certain explanatory notes. The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34 “Interim Financial Reporting” (“HKAS 34”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”). The directors of the Company are responsible for the preparation and presentation of these condensed consolidated financial statements in accordance with HKAS 34. Our responsibility is to express a conclusion on these condensed consolidated financial statements based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

SCOPE OF REVIEW

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the HKICPA. A review of these condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the condensed consolidated financial statements are not prepared, in all material respects, in accordance with HKAS 34.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 September 2016

1. BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard (“HKAS”) 34 *Interim Financial Reporting* issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

2. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain investment properties and financial instruments, which are measured at fair values.

Except for described below, the accounting policies and methods of computation used in the condensed consolidated financial statements for the six months ended 30 September 2016 are the same as those followed in the preparation of the Group’s annual financial statements for the year ended 31 March 2016.

In the current interim period, the Group has applied, for the first time, certain amendments to Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the HKICPA that are mandatorily effective for the current interim period.

The application of the above amendments to HKFRSs in the current interim period has had no material effect on the amounts reported in these condensed consolidated financial statements and/or disclosures set out in these condensed consolidated financial statements.

The Group has not early applied any new or revised standards or amendments to standards that have been issued at the date of these condensed consolidated financial statements are authorised for issuance but are not yet effective.

3. SEGMENT INFORMATION

Information reported to the Company's executive directors, the chief operating decision maker ("CODM"), for the purposes of resource allocation and assessment of segment performance focuses on geographical regions.

The principal activities of the Group are manufacturing of household electrical appliance. The Group is currently organised into four operating divisions – Europe sales, America sales, Asia sales and other regions sales. The information reported to the Group's CODM for the purposes of resource allocation and assessment of performance is based on these operating divisions.

The following is an analysis of the Group's revenues and results for each of the reportable and operating segments.

The Group's investment properties as at the end of the current interim period were fair valued by RHL Appraisal Ltd., an independent qualified professional surveyor not connected with the Group. The fair value was determined based on the market comparable approach that reflects recent transaction prices for similar properties. 9. PROPERTY, PLANT AND EQUIPMENT

Financial assets designated at FVTPL represent unlisted investment funds being disposable at the director's discretion. Fair value of the Group's financial assets that are measured at fair value on a recurring basis

The following table gives information about how the fair values of these financial assets are determined (in particular, the valuation technique(s) and inputs used), as well as the level of the fair value hierarchy into which the fair value measurements are categorised (levels 1 to 3) based on the degree to which the inputs to the fair value measurements is observable.

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active market for identical assets or liabilities;
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Fair value measurements and valuation processes

The board of directors of the Company has determined the fair value of the unlisted investment funds and unlisted debt securities by reference to prices provided by the counterparty financial institution.

In estimating the fair value of an asset or a liability, the Group uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Group looks for other data provided by counterparty financial institution. The Group works closely with the counterparty financial institution to obtain the latest data. The finance director reports the findings to the board of directors of the Company every quarter to explain the cause of fluctuations in the fair value of the assets and liabilities.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed above.

BUSINESS REVIEW

The Group is engaged in design and manufacturing of a wide range of household electrical appliances.

For the six months ended 30 September 2016, sales turnover decreased by 18% to HK\$696,649,000. Demands continue to be weak across all markets. Sales turnover to Europe decreased by 19% to HK\$347,982,000 representing 50% of the Group's sales turnover. Sales turnover to America decreased by 16% to HK\$168,297,000 representing 24% of the Group's sales turnover. Sales turnover to Asia decreased by 16% to HK\$165,722,000 representing 24% of the Group's sales turnover. Sales turnover to other markets decreased by 28% to HK\$14,648,000 representing 2% of the Group's sales turnover.

Gross profit for the six months ended 30 September 2016 increased by 11% to HK\$100,918,000 (2015: HK\$90,895,000). Gross profit margin increased from 10.7% to 14.5%. The improvement in gross profit margin was mainly due to the stabilized material costs and depreciation in Renminbi.

Other income for the six months ended 30 September 2016 increased to HK\$14,100,000 (2015: HK\$5,545,000). The increase was mainly due to an amortization of deferred income of HK\$9,626,000 arising from the sale and leaseback arrangement of the Group's main office at 12/F, Zung Fu Industrial Building, 1067 King's Road, Hong Kong. Since the sales price of the property was above its fair value, the excess over fair value is deferred and amortized over the lease term of three years.

We continued to apply stringent cost control measures to all aspects of our operations. Selling and distribution costs decreased by 22% to HK\$12,902,000 (2015: HK\$16,631,000). As a percentage to sales turnover, selling and distribution costs decreased slightly from 2.0% to 1.9% as compared to corresponding period last year. Administrative expenses decreased by 7.3% to HK\$61,870,000 (2015: HK\$66,778,000). As a percentage to sales turnover, administrative expenses increased from 7.9% to 8.9% as compared to corresponding period last year.

The investment property located in Wanchai, Hong Kong was revaluated at HK\$242.6 million at 30 September 2016 (31 March 2016: HK\$242.0 million), resulting in an increase in fair value of HK\$600,000 for the period under review. During the same period for the previous year, there had been no change in fair value from the same investment property.

Net profit increased by 291% to HK\$34,558,000 (2015: HK\$8,830,000). Net profit margin increased from 1.0% to 5.0% as compared to corresponding period last year.

PROSPECTS

Looking ahead, the global business environment will be highly unpredictable and challenging. The impact and the interplay arising from the recent US president election, the expected rise in interest rates, the devaluation in Renminbi, the Brexit and the possibility of other European Union countries following UK's decision to exit the European Union remains to be seen.

We will continue to focus in stringent cost and expense control, product quality and productivity efficiency. We will stay alert in monitoring the material costs as we have already noticed a rising trend recently within the past month. We will continue to invest in our engineering and R&D capabilities to offer total project management with unique and innovative product platforms to our customers. Besides, we will also vigorously look for new business opportunities to create greater value to our shareholders.

We are fully aware of the turbulent and challenging set of business environment. However, with our prudent and pragmatic business approach, financial strength and commitment to excel, we will strive on and tread cautiously to ride through the current difficult conditions to create value to our shareholders, employees and business partners.

These investments were funded by internal resources. With our healthy financial position and available banking facilities, the Group is able to provide sufficient financial resources for our current commitments, working capital requirements, further expansions of the Group's business operations and future investment opportunities, as and when required.

The majority of the group's assets and liabilities and business transactions were denominated in Hong Kong dollars, US dollars and Renminbis. Currently, the Group does not implement hedging activity to hedge against foreign currency exposure. However, we will closely monitor foreign currency exposure and consider hedging significant foreign currency exposure should the need arise.

UPDATE ON DIRECTORS’ INFORMATION

Pursuant to Rule 13.51B(1) of the Listing Rules, changes in the Directors’ information subsequent to the date of the 2015/2016 Annual Report of the Company are set out below:

Dr. Cheung Shu Sang William has been appointed as an Executive Director of the Company on 28 September 2016.

COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE

The Company has applied the principles and complied with all the applicable code provisions of the Corporate Governance Code (the “CG Code”) as set out in Appendix 14 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“Listing Rules”) for the six months ended 30 September 2016, except for the deviations herein below mentioned:

The CG Code Provision A.4.1

Under this code provision, the non-executive directors should be appointed for a specific term, subject to re-election.

Currently, none of the three independent non-executive directors (“INEDs”) is appointed for a specific term. However, all INEDs, are subject to retirement by rotation and re-election at the annual general meeting of the Company in accordance with the provisions of the Bye-laws of the Company, and the terms of their appointment will be reviewed when they are due for re-election. As such, the Board considers that sufficient measures have been taken to ensure that the Company’s corporate governance practices are no less exacting than those set out in the CG Code.

The CG Code Provision A.4.2

Under this code provision, every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years.

According to the Bye-laws of the Company, one third of the directors are subject to rotation at each annual general meeting and the Chairman and/or the Managing Director of the Company is not subject to retirement by rotation, which constitutes a deviation from the CG Code Provision A.4.2. The reason for the deviation is that the Directors of the Company do not consider that arbitrary term limits on Director’s service are appropriate and the retirement by rotation has given the Company’s shareholders the right to approve continuation of the service of the directors.

The CG Code Provision A.5.1

Under this code provision, the Company should establish a nomination committee.

Currently, the Company does not have a nomination committee. The Board will identify individuals suitably qualified to become board members when necessary. The Board will give due consideration to the suitability of a candidate for directorship after taking into account of his/her experience, qualification and other relevant factors. All candidates must also meet the standards as set forth in Rules 3.08 and 3.09 of the Listing Rules. A candidate who is to be appointed as an independent non-executive director should also meet the independence criteria set out in Rule 3.13 of the Listing Rules.

The CG Code Provision A.6.7

Under this code provision, independent non-executive directors and other non-executive directors shall attend general meetings and develop a balanced understanding of the views of shareholders.

Two independent non-executive directors, Dr. Chan How Chun, Rita and Professor Lo Chung Mau, did not attend the annual general meeting of the Company held on 18 August 2016 due to other business engagements.

THE CG CODE PROVISION E.1.2

Under this code provision, the Chairman of the Board and the Chairman of the Audit Committee should attend the annual general meeting.

Both the Chairman of the Board and the Chairman of the Audit Committee had not attended the annual general meeting of the Company held on 18 August 2016. The Chairmen will endeavour to attend all future annual general meetings of the Company unless unexpected or special circumstances prevent them from doing so.

COMPLIANCE WITH MODEL CODE

The Company has adopted the Model Code as set out in Appendix 10 of the Listing Rules as its Code of Conduct regarding directors' securities transactions. Having made specific enquiry of all directors, the directors have confirmed that they have complied with the required standards set out in the Model Code as provided in Appendix 10 of the Listing Rules.

REVIEW OF UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

The Audit Committee and the external auditors have reviewed the unaudited condensed consolidated financial statements of the Group for the six months ended 30 September 2016. The Committee now comprises three independent non-executive directors of the Company.
